1st Draft for April 2, 2014 Steering Committee Meeting

Proposed StreamNet SOW Structure for Fiscal Year 2015

\$3,975.00

0.19%

A	Support	transfer o	f data i	nto sec	ure & a	acce	ssible r	epositori	es	FY-14: A	\$4	2,365.00	2.03%
	Support tran	nsfer of data into	secure and	accessible r	epositories		159	9. Transfer/Consoli	date/Reg	ionally Standardi	ze Data		
	Deliverable:	StreamNet particip	oants assist s	ponsors in sec	curing data in	n appro	opriate reposi	itories, as reques	sted. D	ata are stored	l in appro	priate repo	ositories.
	CTCR	Assist project	sponsors t	ransfer dat	a to secur	e and	accessible	repositories					
	IDFG	Assist project	sponsors t	ransfer dat	a to secur	e and	accessible	repositories					
	MFWP	Assist project	sponsors t	ransfer dat	a to secur	e and	accessible	repositories					
	ODFW	Assist project	sponsors t	ransfer dat	a to secur	e and	accessible	repositories					
	PSMFC	Assist project	sponsors t	ransfer dat	a to secur	e and	accessible	repositories					
	USFWS	Assist project	sponsors t	ransfer dat	a to secur	e and	accessible	repositories					
	WDFW	Assist project	sponsors t	ransfer dat	a to secur	e and	accessible	repositories					

Provide archive - Data Store

B

160. Create/Manage/Maintain database

FY-14: B

Deliverable: The Data Store data submission procedure in improved and more efficient and is increasingly used as an archive for unstructured data, particularly from BPA project sponsors. The Data Store tools integrate with mm.org and cbfish.org.

PSMFC Enhance the function of the Data Store for dissemination of BPA project and other unstructured data

Maintain SN Data Store as a secure and accessible repository

С	CA data	- coordination	FY-14: C	\$93,295.00	4.48%
	CA data - co	ordination 189. Regional Coordination			
	Deliverable:	StreamNet, at all levels of the project, coordinates with all participants in the Coordinated Assess CA core team and planning group, leadership of the DES Development Team, leadership of the tec project participation and coordination.			
	CTCR	Coordinate and support the Coordinated Assessments project			
	IDFG	Coordinate and support the Coordinated Assessments project			
	ODFW	Coordinate and support the Coordinated Assessments project			
	PSMFC	Coordinate and support the Coordinated Assessments project			
	WDFW	Coordinate and support the Coordinated Assessments project

Data capture devices - develop data systems for and manage data from field 160. Create/Manage/Maintain database trials

Deliverable: A real-world test of the selected data capture devices and related cloud database services is conducted and the results are reported. Recommendations for future use are included in the report.

PSMFC Develop data system and deploy devices for field trials of handheld data capture devices

Q Metadata exchange through Monitoring Explorer pilot project FY-14: AF \$15.385.00 0.74% Metadata exchange through Monitoring Explorer pilot project 161. Disseminate Raw & Summary Data and Results Deliverable: Metadata for the pilot explorer are provided to Sitka via web services in conformity with the project metadata exchange standards. PSMFC PSMFC participate in regional effort to share metadata to locate monitoring activities Data sharing agreement - finalize and implement R FY-14: AF \$18,200.00 0.87% Data sharing agreement - finalize and implement 161. Disseminate Raw & Summary Data and Results Deliverable: The draft Data Sharing Agreement template is released for regional review. A version of that template is adopted by StreamNet and implemented for data obtained through the Data Store. PSMFC PSMFC implement a Data Sharing Agreement template Infrastructure and base operations FY-14: AH, Y \$272,180.00 13.06% Infrastructure and base operations 160. Create/Manage/Maintain database Deliverable: Project infrastructure and databases are maintained and updated as needed to acquire, manage and disseminate referenced data. Produce Executive Summary

999. Executive Summary

Deliverable:

CTCR	Provide input for Introduction / Executive Summary of report
IDFG	Provide input for Introduction / Executive Summary of report
MFWP	Provide input for Introduction / Executive Summary of report
ODFW	Provide input for Introduction / Executive Summary of report
PSMFC	Provide input for Introduction / Executive Summary of report
USFWS	Provide input for Introduction / Executive Summary of report
WDFW	Provide input for Introduction / Executive Summary of report

Produce Pisces Status Report

185. Produce Pisces Status Report

Deliverable: Status Report submitted on quarterly schedule.

CTCR	Produce quarterly Status Report
IDFG	Produce quarterly Status Report
MFWP	Produce quarterly Status Report
ODFW	Produce quarterly Status Report
PSMFC	Produce quarterly Status Report
USFWS	Produce quarterly Status Report
WDFW	Produce quarterly Status Report
